

Elohealth Patient Portal Instructions

Welcome to Elohealth! We are so excited to welcome you to the Elohealth team and look forward to seeing you in our clinic soon! To begin, please follow this link to access our Elohealth Patient Portal and follow the instructions below.

1. Please enter your first name, last name, and email address in the appropriate boxes on the sign-up page.
2. Please create a strong password for your account and click Enter.
3. Navigate to the Patient Information tab and fill out the required fields, then click submit.
4. Navigate to the Find a Doctor tab and submit a request for an appointment with your desired physician.
5. Wait for the confirmation email and complete the account verification.
6. After your appointment, follow the instructions in your appointment follow-up email to link your medical records to your patient portal and view your appointment details!
